*È il 1969: ispirato dallo sbarco sulla Luna dell'equipaggio dell'Apollo 11, Giancarlo Zanatta inventa i Moon Boot®, portando una ventata di colore, allegria, innovazione, creatività. Seguire la storia di Moon Boot® è come fare un viaggio nella storia del design e della moda. Moon Boot® è un prodotto-eroe, un lovemark, un marchio che ha inventato una categoria ed è diventato un mito.*

*It was in 1969: The Apollo 11 Moon landing inspired Giancarlo Zanatta to invent Moon Boot®, introducing a new wave of colour, fun, innovation and creativity. The Moon Boot® story is like a journey through design and fashion history. Moon Boot® is a hero product, a lovemark, a brand that invented a category and achieved mythical status.*
